Hi Debora and Pam,

Here is everything in my area at this time that I need drafted:

I have attached a spreadsheet with my items highlighted that provides you with the appropriation changes for each item. Please call if you have ANY questions! Thanks a lot!!!!

- 1) Delete BadgerCare Plus but accept the savings from the savings initiatives included in the proposal. I think this can be accomplished by completing the item from the bill and just making appropriations changes to the Chapter 20 part to account for the savings. Please see my spreadsheet for the numbers.
- 2) Draft language that would enable a transportation broker program (this was in 2005-07 AB 100 and add the appropriation changes on my spreadsheet.
- 3) Alternative 2 in paper 385 on Medicare Part B: fiscal changes on my spreadsheet. This includes deleting statutory changes in the bill related to this item.
- 4) Increase the cap for indigent funeral donations by \$1,000---Debora we discussed this and I think we had it all figured out that you can just increase the limit for the total for burial and funerals by \$1,000. They don't want to do anything with the cemetery area on this. This is my summary of this "Specify that the statutory limit for total funeral and burial expenses be changed to \$4,500. Under current law DHFS is required to reimburse counties and tribes for funeral and burial expenses (up to \$1,500) for deceased individuals who, at the time they died, were receiving W-2, supplemental security income (SSI) benefits, or MA benefits and whose estates are insufficient to pay these expenses. The county or tribe is not required to pay any funeral or burial expenses if the total expenses exceed \$3,500. Under this provision the limit for total expenses is increased by \$1,000 to \$4,500, to allow for more donations by private parties." NO fiscal effect on this one.
- 5) Require that DHFS issue payment for at least 95% of pharmacy claims under MA, BadgerCare, and SeniorCare, and all payments under FamilyCare, within 30 days of receipt of the claims and require that DHFS issue payment for 100% of such claims within 45 days of receipt. (This is apparently similar to 2007 AB 385 but with more stringent limits) -- NO

fiscal effect.

- 6) Provide a rate increase to hospitals of \$11,000,000 GPR in 2008-09
- 7) Provide a rate increase to dentists of \$3,000,000 GPR in 2008-09
- 8) Delete Hospital Assessment and rate increase --#s on my spreadsheet
- 9) Delete Demonstration Project for Childless Adults -- #s on my spreadsheet
- 10) Delete Noninstitutional provider rate increase ----#s on my spreadsheet
- 11) Delete Family Planning Demonstration Project----#s on my spreadsheet

Thanks,

Marlia
